

*St. Frances Cabrini Parish Community*  
*Pot of Gold Weekly Lottery Program*

**Rules for Participation**

The drawing for the weekly lottery is held Monday evening at 7:00 PM in the Multi-Purpose Room behind the gym.

The jackpot prize begins at \$5,000, and progressively increases by \$1,000 until it is hit, and then it resets.

The tickets are sold for \$1.

Each row of numbers represents one opportunity to win.

Each ticket provides two chances to win.

There are 36 possible numbers to be drawn.

Five numbers are drawn utilizing a mechanical machine.

In order to win the jackpot prize, all five numbers must match on the same line.

In order to win the consolation prize of \$1,000, any four numbers must match on the same line.

If there are multiple winners for the Jackpot or Consolation prize, the prize is divided equally.

If there is no jackpot prize winner, \$1,000 is added to the jackpot prize for the following week.

If there is no consolation prize winner, \$1,000 is added to the consolation prize for the following week.

All winners will be called around 8:00 PM on Monday evening.

All winnings can be picked up at the St. Frances Cabrini rectory. Winners have 30 days to claim their prize.

Tickets are available during office hours at the Holy Family Regional Catholic School office, the St. Frances Cabrini Rectory office, and on weekends in the Church vestibule after all Masses and on Monday evenings at the Multi-Purpose Room.

Tickets and money may be returned to the School office, the St. Frances Cabrini Parish Rectory office or the vestibule of the church before any weekend Mass or at the Multi-Purpose Room between 6:00 PM and 6:45 PM on Monday evenings.

For sellers, in order to provide proper credit, tickets and money must be returned in an envelope marked with your name clearly marked on the outside.

Commission: After a threshold of 25 tickets in a given week, for every 5 tickets sold, the seller may earn a 20% commission. Sellers who reach the 25 ticket threshold may choose one of the following options:

1. **Cash** - Keep their 20% commission, and return all sold tickets and 80% of the money.
2. **Tickets** - In lieu of retaining the 20% commission, seller may purchase tickets with their earned commission, and return all sold tickets and all money.
3. **Tuition Credit Voucher** - Return sold tickets and all money, and receive the 20% commission as a credit toward their school tuition on a quarterly basis. **In order to receive voucher credit, sellers must complete the Voucher Registration section of the enclosed Registration Form.**

With regard to the calculation of commissions earned, in order to avoid making coin change, a dollar will be earned for every multiple of 5 tickets sold. For example, if 25 tickets are sold, the commission will be \$5. If 29 tickets are sold, the commission will be \$5. If 30 tickets are sold, the commission will be \$6.

You do not have to sell 25 tickets every week, but you will receive commission only on the weeks that the 25 ticket minimum is met.

In order to be eligible to win any prize, **all tickets must be date validated** on Monday evening in the Multi-Purpose Room prior to the drawing.
