## **TOP TEN TIPS FOR CATHOLIC PARENTS PREPARING FOR A NEW SCHOOL YEAR**

*Mrs. Jeanine Davis • Mrs. Kara Haggerty*

As families search for ways to make the most of their final days of summer and at the same time anticipate the start of another school year, Mrs. Jeanine Davis, our Director of Religious Education, and Mrs. Kara Haggerty, Principal of our Parish Elementary School, Holy Family Regional Catholic School, would like to share with you their Top Ten Tips for Catholic Parents Preparing for A New School Year.

10. **Reestablish Bedtime Routines** — During the summer, our routines change as the days and nights are longer. Vacations and other fun activities may change a child's sleep schedule. Reestablishing a bedtime routine during these last few days of summer will help both you and your children prepare for the first day of school!
9. **Foster a Love of Learning through Catholic Values: Connect Faith and Academics** — Help your children see how their academic studies connect with their faith. For example, discuss how math reflects the order of God's creation or how history reveals God's work throughout time. This connection can make learning more meaningful and reinforce the idea that faith and knowledge go hand in hand.
8. **Read with Your Children** — Literacy not only promotes healthy brain development but also develops a child's social and language skills. Encourage your children to read, both independently and together with you, as part of their bedtime routine. Consider adding religious books that you can read as a family. Reading Bible stories, the lives of the saints, and other religious books, can lead to great family discussions about our faith.
7. **Get Involved** — Support extracurriculars; encourage your children to join school clubs, sports, or choir. Participation in these activities not only enriches their school experience but also helps them build friendships and develop a sense of belonging within the school community. Model community membership for your children by staying engaged yourself, attending parent-teacher meetings, volunteering for school events, serving in Parish ministries, attending Parish events, joining the Home and School Association. For our Holy Family students, reinforce the values and teachings of our Catholic school at home, ensuring that your children see consistency between home and school environments. For our PREP students, talk with your children about what they are learning at school and make sure they understand the Catholic perspective on those topics.
6. **Reinforce the Importance of Service** — Promote volunteerism with your children. Encourage them to get involved in service opportunities, whether through the school or parish. Discuss the importance of helping others, and find ways to serve together as a family, such as participating in parish ministries, community service events or supporting a charity.
5. **Make Family Dinner a Priority** — We all have busy schedules, yet making family meals a priority will encourage conversations with one another about each day's events. Even if it is only a few nights a week, eating meals as a family and beginning the meal with grace benefits your children emotionally and academically. Jesus taught us how important sharing meals can be. It was during a meal that Jesus gave us the great gift of Holy Communion.
4. **Model and Teach Gratitude** — Teach your children to appreciate the education and opportunities they receive. Encourage them to thank teachers, staff, and classmates. Modeling gratitude can help them develop a positive outlook and foster a more harmonious school environment.
3. **Pray Together** — As we all face challenges, remember God is the one constant in our lives. As we begin a new school year, faith and prayer help bring us all together. Prayer is an opportunity to incorporate God into our daily routines as a family. As you prepare for the first day of school, remember how living a prayer-centered life will bring peace and joy to our hearts, homes, and our schools!
2. **Encourage a Growth Mindset for both Academic and Spiritual Development** — Emphasize the importance of effort, perseverance, and learning from mistakes, both academically and spiritually. Encourage your children to set goals for the school year, whether it's improving in a subject, participating more in Mass, or being more kind and patient. Keep lines of communication open between you and your children. Discuss their daily experiences, challenges, and successes, and provide guidance in line with your faith when issues arise.
1. **Attend Mass Weekly** — As your children are in school and attending extracurricular activities, we find ourselves stretched for time. The Bible reminds us to come together in prayer. God cares deeply for us all, thus it is important to make time for Mass as a family. Gospel readings and prayer at weekly Mass help reinforce the lessons your children are learning at Holy Family Regional Catholic School and at PREP. The Sabbath day is a vital part of the week. Keeping the Sabbath holy by spending an hour celebrating Mass, strengthens our faith and is one of the greatest spiritual gifts you can give to your children. What a blessing this is!

We hope these tips will help our school and PREP families to have a blessed school year. For those who do not have school age children at this time, we encourage you to share these tips with your family and friends who do and we ask everyone to join with us in praying for all parents, students, teachers, administrators, staff and volunteers in all schools and religious education programs.

Jesus teaches us to keep our focus on obeying God's commandments. Like the Pharisees in today's Gospel, we can get caught up in our traditions, questioning and arguing with those who do things differently or want to change our ways. Jesus offers a reminder to not lose sight of what is truly important: obeying God's commandments and keeping our hearts and actions pure.

Joshua 24:1-2a, 15-17, 18b  
Ephesians 5:21-32  
John 6:60-69

Moses exhorts the Israelites to listen to and observe the commandments of the Lord. The Apostle James calls upon his fellow Christians to humbly receive and practice God's word. In the Gospel, Jesus accuses the Pharisees of observing human religious traditions yet failing to obey God's commands. He then teaches the people that it is the thoughts and actions born in the human heart that defile..

### Welcome Deacon Isaac Wahlmeier, Our New Transitional Deacon

We are very pleased to welcome Deacon Isaac Wahlmeier to our Parish Community. Deacon Wahlmeier has been assigned to our Parish Community for the 2024-2025 Diaconate Sunday Internship Program as well as for the Thursday Apostolate. Deacon Wahlmeier begins his ministry this weekend. Similar to Deacon Caleb Hile, Deacon Dominic Winter, and Deacon Jonah Brox, Deacon Isaac Wahlmeier is from the Diocese of Lincoln, Nebraska. Monsignor McCormac had the opportunity to meet him at an orientation meeting at the Seminary this past May. Deacon Wahlmeier is very much looking forward to meeting our parishioners and serving our community. Bishop Keith Chylinski, Rector of St. Charles Borromeo Seminary, has said that an essential component of a seminarian's priestly training is pastoral formation. He said that parish communities are chosen carefully for their ability to provide experiences and supervision that will support and assist the seminarian. Bishop Chylinski expressed his personal gratitude as well as the entire Seminary Community's gratitude to our Parish for our willingness to assist Deacon Wahlmeier in his formation for the sacred priesthood.
