PRESENTS

The First Annual
PROJECT
DASH

Supporting Bucks County Homeless

Spread The Love!

As winter approaches, many individuals in our community are facing the harsh realities of living outdoors. From October 1 through November 1, we will be kicking off Project DASH (Direct Appeal to Support Homelessness in Bucks County), and will be collecting donations of items requested by our community partners to support individuals experiencing homelessness. These donations will be distributed to the organizations that work tirelessly to serve this vulnerable population. Your generous contributions can make a world of difference as we help our neighbors find comfort and support during the winter months. Together, we can make a meaningful difference in our community!

Donation Dates:

**October 1st
through
November 1st**

Drop-Off Locations:

TBD

ITEMS NEEDED

- Food
- Cleaning Supplies
- Tent Supplies
- Toiletries
- Clothing
- See List for More Supplies
